

BR. BOB SMITH

President and CEO

February 2010

JEFF MONDAY

Executive Vice President

Dear Parents/Guardians:

For the past year and a half, St. Rose Catholic Urban Academy and St. Leo Catholic Urban Academy have been working together in the St. Rose campus. While we were functioning as one school, we were operating fiscally as two. Both schools provided a high quality Catholic education, but the separation of the two schools created duplication of services and operations.

We are pleased to announce that for the 2010-2011 school year, our schools will function completely as one school. We will be recognized as St. Rose and St. Leo Catholic School. This is a blessing! The division that was present in our operations will be dissolved. Students and teachers in the building will now share a common identity and will benefit from the same services.

We believe it is critical that our students are aware of the significant history of Catholic education in Milwaukee. To honor the traditions of both Catholic Urban Academies, we will continue to teach our students the rich histories of St. Rose and St. Leo, as well as the other Catholic schools that are a part of our community. St. Rose and St. Leo are well regarded and have provided generations of students with happy and successful educational experiences.

We are extremely pleased about our unified identity as St. Rose and St. Leo Catholic School. The strong traditions of educational excellence that have existed at St. Rose, St. Leo, and Messmer Catholic Schools will continue to provide the best possible education for your children.

Sincerely,

Mr. Lewis Lea
Principal
