

## Free Open Doors Summer Workshops

- When:** July 6 – August 12<sup>th</sup>  
Tuesdays & Thursdays from 4:30-8:00p. Fridays 12:30-4:00p
- Where:** 742 W. Capitol Drive (MRA is leasing space from Messmer HS)
- Who:** Any high school aged youth, including rising freshmen, are welcome during the open doors camp hours
- What:** Students will be able to jump headfirst into the world of robotics with our exciting and engaging open doors robotics workshop. From their first experience, students will create a full-sized ball launching robot. From there, students will learn to use vision tracking, autonomous motion, CAD software, 3D printing and CNC fabrication. To cap it off participants will be able to use their skills to create a fully functional robot and compete against other students in the Academy.
- Sign Up Info:** Direct link available [HERE](#), or use QR code below:
